

Gaihonnyani: The Amos Key Jr E-Learning Institute

Are you, or do you know someone interested in completing or obtaining the grade 12 Ontario Secondary School Diploma (OSSD)? NPAAMB and their strategic community partners have launched a wonderful new opportunity for Aboriginal Youth to attend a registered private secondary school (BSID 889964) on-line using the internet at www.amoskeyjr.com.

If you are interested, or you know someone who may be, please get in touch today at amoskeyjr.com or npaamb.com or call | 877 695 2557.

Why E-Learning?

Our experienced teachers have a passion for teaching First Nation students and facilitate the teaching via online synchronous classes. Local mentors will help students with technical issues and encourage student participation for ultimate success.

Our E-learning model is different from conventional distance learning programs because it allows direct interaction between students and teachers on a regular basis.

If you are ready to complete your High School studies, then contact us for more information to get you on the path to success.
