Niagara Peninsula Aboriginal Area Management Board is providing the opportunity for **26 Aboriginal participants** to become trained in the theories and Installation Practices of the Solar Photovoltaic Industry.

Renewable Energy is the next "Big Thing". Do not miss out on your chance to get in on the ground floor. Let's grow Green together.

A comprehensive training program has been designed in conjunction with The Ministry of Training, Colleges and Universities, Mohawk College, Generation Seven Consulting, EGen Power and the Ontario Sustainable Energy Association.

An exciting opportunity with overwhelming potential awaits you..

Become a Community Animator in the GREEN movement. Be an Advocate of the Save Our Planet mission.

We help you get the skills necessary for the industry. You will then take those skills and apply it to your choice of employment.

- ◆ Solar PV Panel Sales
- ◆ Solar PV Panel Installer
