Re: Fort Erie closure bulletin

Please be advised that it is with great deliberation that the Niagara Peninsula Aboriginal Area Management Board (NPAAMB) has temporarily closed the Fort Erie office located at 25 Jarvis St. for review.

The NPAAMB Board of Directors will be reviewing the demographics, transportation issues, employment opportunities, local labour markets and close proximity of other ASETS (Aboriginal Skills and Employment Training Strategy organizations) and similar governmental service organizations.

The NPAAMB Board of Directors appreciates your patience during this time of assessment and in efforts to not interrupt service delivery would ask that you direct your program and service inquiries to Kate Bellon, Youth Service Officer, located at 2 Clark St. St, Catharines or at (905) 988-6464 or ysc@npaamb.com.

All other inquiries should be sent by email to info@npaamb.com

Thank you.
